

# INSTRUMENTAL MUSIC LESSON AGREEMENT

## ABOUT

The Marist-Sion College Instrumental Music Lesson Program is an extra-curricular program which offers students an opportunity to develop their musical, social, and personal awareness whilst learning a musical instrument.

Students learning a musical instrument are encouraged to participate in College ensembles, liturgies, masses, and concerts / events where they will gain valuable experience in performing in front of both their peers and the wider College Community.

## COMMITMENT

Our College Instrumental Music Lesson Program provides students with an opportunity to learn from a Professional Instrumental Music Instructor with the convenience of learning during the school day. To ensure your child can gain maximum experience, our College requires both the student and parent/carer/guardian to fully commit to learning the instrument.

An **Instrumental Music Lesson Agreement** form, available below, is to be completed and returned by the student and parent / guardian / carer prior to commencing music lessons. If a student wishes to cease their music lessons, an **Instrumental Music Lesson Cancellation Form** must be completed, and returned. This will only be approved at the end of the Term, *unless there are documented exceptional circumstances, which are subject to College approval.*

Our College Instrumental Music Instructors will provide semester reports to parent/carer/guardian in relation to the student's progress and performance.

## LESSON STRUCTURE

The Instrumental Music Lesson Program allows students to participate in weekly lessons, either individually or in small groups that are instructed by one of our professional College Instrumental Music Instructors.

The music lessons are for 30 minutes during the school day each week and are timetabled on a two-week rotating basis to minimise disruption to the student's school day. Student attendance will be taken and recorded in SIMON by the Instrumental Music Instructor.

A student music lesson will be rescheduled, where possible, if:

- A student is required to attend whole College directed events such as mass and year-level camps;
- The Instrumental Music Instructor is absent on the day of the music lesson;
- The music lesson is scheduled on a Student Free Day;
- The music lesson is scheduled on a Public Holiday.

If a student does not attend a scheduled music lesson for reasons than those above, the music lesson will not be rescheduled or refunded.
